CLIENT SUPPLIED SAMPLES

Client Supplied Tea Labels

\$280 (one-time fee)

You can also have your own graphic designers design your Tea Can Labels. We will send your designers packaged InDesign files for them to work with in order to ensure that the designs are to spec. We will then need the final InDesign files packaged and sent back to us, ensuring we have the fonts and images that are utilized. Please note that we may need to adjust the files in order to get the best possible print quality. High-resolution images of your finished tea cans are available at \$20 per photo. Final proofs will be sent to you for approval before production on your order begins.

Tea Label Design

Tea Label Customized
with Text & Images

Tea Label Customization

\$130 (one-time fee)

Customized Tea Labels are created using pre-designed templates by The Tea Can Company. You can browse these pre-designed templates on our website. When referencing a pre-designed template on our website please mention its design code located below the image. Customization occurs when we alter the pre-designed template to include your logo, images, colors or copy. In the example to the left the client chose to customize our Floral Design Template with their logo in the center and with different copy at the bottom. When sending us logo and image files, it is best to send the highest resolution possible and with a transparent background. High-resolution images of your finished tea cans are also available at \$20 per photo. Final proofs will be sent to you for approval before production on your order begins.

PERSONALIZATION SAMPLE

Our Pre-Made
Tea Label Design

Tea Label Personalized
with text only

Tea Label Personalization

\$20 (one-time fee)

Personalized Tea Labels also utilize pre-designed templates by The Tea Can Company. The difference is that the only editable areas in Personalized Tea Labels are the designated areas of text. You can browse these pre-designed templates on our website. When referencing a pre-designed templates on our website please mention its design code located below the image. Personalized Tea Labels cannot have added images, edited colors or any other changes other than the wording. In the example to the left you can see that the client substituted "Your Beach Here" with "Virginia Beach" therefore keeping all elements of the design the same except for the text area. High-resolution images of your finished tea cans are also available at \$20 per photo. Final proofs will be sent to you for approval before production on your order begins.
